

Software Package for Moxa Remote Connect Suite (MRC Client SW) Release Notes

Version: v2.4	Build: 19123118
Release Date: Jan 17, 2020	

Applicable Products

N/A

Supported Operating Systems

Windows 10, Windows 7

New Features

- Added a search box to allow users to search for the gateway name.
- Supports time-based access control.

Enhancements

- It is still required to have administrator authority when installing the MRC client software, but administrator authority is no longer required when running the MRC client software.
- The Device Pool list, gateways, and devices that use virtual IP or LAN IP will be indicated by a red or green LED and a black LED will be used to indicate they are not in use.
- There have been enhancements to the usability and appearance of the UI.

Bugs Fixed

- The MRC client displayed a fatal error message when the client software was connected for an extended period of time.
- When users switched on the tunnel to form a connection between the gateway and devices and clicked refresh, the tunnel switched off.

Changes

- Removed the “Log” function.
- Removed the “Language” function.
- Removed “Visible” function.
